

LRRLS 1402 LED - ANLS Room Light

LRRLS Model Range

Description

The Room Light LRRLS is a basic component of the ANLS. The Room Light LRRLS is designed for indoor installation of ships' rooms and cabins where small, smart and low power consuming lights are required. Depending on the place of installation the Room Light LRRLS is available either with a bracket for surface installation or a frame for flush installation. Apart from cleaning the Room Light LRRLS is completely maintenance free.
